ABSTRACT

In this article, stylistics techniques and methods are used for the stylistic analysis of Wordsworth's poem TO A BUTTERFLY. The analysis is made under the aspects of graph logical, syntactical, semantical and phonological patterns. This analysis is helpful in understanding the basic concepts of poem. That is the memories of childhood of Wordsworth. Butterfly reminds him of the happy days of childhood in his father's house.

Keywords: Stylistic analysis, graph logical, semantical and phonological levels, Childhood of Wordsworth.
