ABSTRACT

The article is devoted to the study of different dictionaries, which is useful to learn English language. Online word references are a superb device for people who are ravenous for information. These word references have stretched out for ramifying in different perspectives. Moreover, these word references are likewise offering the element of interpretation. They can make an interpretation of words into various dialects, for example, interpretation in Korean, Italian, Turkish, Chinese, English, German, Spanish, Japanese and so forth. The translations are just a tick away.

Keywords: Longman Contemporary Dictionary, Oxford living dictionaries, Oxford Advanced Learner's Dictionary, Macmillan Dictionary, Collins dictionary, dictionary.com, Urban Dictionary.com, Multitran.
