ABSTRACT

President of the Republic of Uzbekistan Shavkat Mirziyoyev in his Address to the Oliy Majlis stressed: "The greatest wealth is mind and knowledge, the greatest inheritance is good upbringing, the greatest poverty is ignorance! Therefore, for all of us, obtaining modern knowledge, true education and a high culture should become a constant vital need"¹. Indeed, Uzbekistan is laying the foundation for a new renaissance - the Third Renaissance. This foundation is laid in the school, since the threshold of the new Uzbekistan begins with the school. To this end, Presidential Decree No. PF-5712 "On the Approval of the Concept for the Development of the Public Education System of the Republic of Uzbekistan until 2030" and Decree No. PF-6108 "On Measures for the Development of Education and Science in the New Period of Development of Uzbekistan" have been adopted.

Keywords: Geographical education, formation of geographical culture of mankind, the Third Renaissance, way of harmonization of interaction, scientific methodic model, methodical model, criteria of determination of level of formation of geographical culture.
